Wine Tasting Events and Venue Hire

A unique venue
in the heart of Bristol

Wine Tasting Events

Averys Wine Cellars is a unique venue for private events. We regularly host wine tasting evenings for corporate clients, wine societies and social groups.

The historic vaulted cellars in the heart of Bristol create the perfect atmosphere for an engaging and informative event, hosted by one of our wine experts.

The cellars can accommodate groups of 25 to 80 people in an atmospheric setting. For private wine tasting events and day or evening hire, the space is exclusively yours.

For every tasting, we will serve a minimum of 8 different wines with a selection of artisan bread, cheese and pâté.

For tutored tastings, themed evenings and networking events, our team of dedicated wine lovers can choose from over 1000 different wines, tailoring each occasion to your guests.
